Good morning Caroline,

I would like to thank you for being patient with us as we deal with this issue amongst numerous others as a result of the continued harassment by two of our neighbours, it has been confirmed to us that they are obsessed with having our business closed in order to attain increases in their real estate values which they notified us were approximately \$3,000,000. It is unreasonable that these retired oil-executives expect our business to be terminated as a result of them having purchased water front properties next to an industrial site that has been in existence for over 100 years.

The FOI request contains 3 documents, we are going to send you 3 separate emails, each containing one document, this will alleviate any confusion. Following this email we will send you the 3 separate responses.

Kind Regards,

[REDACTED]
